Dear Willington Veterans and Families,

The Willington Seniors have purchased a 35 Foot Flagpole to Hold up to three flags to be displayed in the middle of the new Button Hill Senior Housing. Around the Flagpole we will be placing 6" x 9" Pavers that we are selling. The pavers will have up to 5 lines of print with 14 characters per line. Spaces and punctuation count as characters. The cost of each paver will be $50.00. This will be The Willington Veterans Memorial and will be dedicated on Memorial Day 2017. We are hoping to have State and Federal Dignitaries for the Ceremony. Any Family living or has lived in the town of Willington is eligible to purchase a paver to Memorialize a Love one who has served their country. This plaza of pavers will be a permanent monument to the men and women of willington families who have supported or stood in harms way for our country. What a wonderful way to pay tribute to a friend or loved one living or deceased.

Please make checks payable to the Willington Seniors Inc. and mail this form to Willington Seniors. 20 Senior Way, Willington, CT 06279. Kindly write Veterans Memorial in the memo section of your check.

Please print your message in the LINES below. Inappropriate wording will not be accepted. The sooner that your order is received will guarantee the placing of your paver for the dedication.
