Meeting Procedures

Applications for Receipt

These applications are to be formally received only. No discussion or decisions will occur.

Public Hearing:

Public Hearings are an opportunity for the public to participate during the review of an application. Following a presentation by the applicant, the public will have an opportunity to provide comments relevant to the application. Once the Hearing is closed, neither the applicant nor the public can comment.

New Business:

These items may be associated with a public hearing item or may be applications that do not include a public hearing.

Unfinished Business:

These items are non-public comment items which have been continued from a previous meeting.

Public Participation:

The Commission will hear brief comments from anyone wishing to speak, but cannot respond. No decisions may be made by the Commission and the public cannot speak on items on the agenda or other pending applications
