## BOARD OF SELECTMEN

Special Meeting Minutes  
Hybrid; TOB, Common Room

January 4, 2023  
5:30 PM

*\*Minutes are not official until approved at the next regular meeting*

First Selectwoman Wiecenski called the meeting to order at 5:36 PM with the following in attendance: Selectman Makuch and residents in person and Selectman Bulick and residents via Zoom.

### **BETA Group, Inc. Pavement Management Presentation**

Joe McGuire from BETA Group, Inc. presented the summary of the road management findings from the survey that was conducted on all town owned roads. Mr. McGuire explained that BETA is a full civil site engineering company and they have their own asset management group. The core discipline of the company is pavement management. They scored all paved town owned roads through an analysis and created projections to maximize the investment in all roadways. Their team used a 5-step approach and drove each road to have the ability to provide the details and explain the distress some roads are in. They calculated the length of the road and the width of the road. There are 13 miles of asphalt roads and 59.1 miles of chip sealed roads currently. Overall the town has 111 miles of road of gravel, private, state, and town owned roads. Mr. McGuire explained the differences in the road conditions and what made a road qualify for each repair band (defer maintenance, routine maintenance, preventative maintenance, minor rehabilitation, and major rehabilitation). A comprehensive inventory has been created for the town accepted roads and list their condition and the most effective way to prioritize maintenance and repairs.

First Selectwoman Wiecenski moved to adjourn the meeting at 6:25 PM.

Selectman Makuch seconded the motion.

Vote: 3 Yes (Bulick, Makuch & Wiecenski) 0 No. Motion carries.
