Approval of Minutes

Matt Clark made a Motion to approve the minutes of April 13, 2022; Cheryl Mitchell seconded; Motion carried

Old Business

Railroad Project

Bill got together with Lauren at Town Hall. Mike reviewed Planning & Zoning initiatives and reviewed other projects in town, warehouse district program; further discussion on water main project. Development group involved in warehouse project interested in speaking with Lauren on railway project; Lauren has continued interest. Bill Rankin indicated if we could get preliminary engineering from railroad. Bill has scheduled call with railroad people tomorrow; Bill is more concerned about topography.

Willington BRIG Program

John indicated corrected application to online format will be using distribution list to get flyer out. John will confirm as applications come in that they are completed and in fact a Willington business. Can go live this week; form link is live now and will start publicizing now.

Signs

Budget passed; we have funds for signage around town. 3 signs – two on Route 74; one at truck stop. Need to secure permission from DOT. Matt spoke with Geoff who did signage for Ashford and Stafford (3' x 5' signs done) We will work on producing one sign for this year. Do we want a wood or metal sign? Metal lasts longer.
