First Selectwoman's Corner

Dear Willington Residents:

As the end of my run as your First Selectman comes to an end, I wanted to let you all know what an honor and privilege it has been to serve in this capacity for the last eight years. Our town has been through a lot during my tenure: fiscal challenges, hurricanes, snow storms and of course, that epic battle with the State of Connecticut. We also have struggled with the realization that many of us and/or our friends and neighbors have crumbling foundations. It has been hard to see the heartbreak and devastation it has caused and also the effect it has had on the town in general as this crisis has had a negative effect on our grand list and will impact taxes for years to come. The last few months have been particularly challenging as we have dealt with the reality of the State of Connecticut's budget issues and what this could mean to Willington in the short and long term. These challenges have been tough, but time and time again I have been reminded what a special town this is as our residents have stepped up to help and find a way to work together.

I was hoping to have many things resolved by the time my term ended but the reality is that whoever gets elected on November 7th will face many of these same challenges. This is obviously true for the incoming First Selectman and the other Selectmen, but also for the Board of Finance, Board of Education, Planning and Zoning and other boards. This is why it is critical that you know who you are voting for and that you agree with what they plan to do if elected. In a small town like ours, it is incredibly important to be an educated voter and your vote absolutely matters!

Not only does your vote matter, but going forward, Willington needs more from you. We need your interest and energy. Perhaps you can commit to volunteering for the Willington Public Library or the Fire Department? Maybe you can attend a Board of Education meeting? Perhaps you can read the Board of Selectmen meeting minutes every few weeks? Perhaps you can follow the budget discussions this winter? One of the great things about living in a small town is that one person can make a big difference. Willington is run by many volunteers all making small contributions of time and talent and we need more of that.

Christina Beebe Mailhos

I've learned a lot about my hometown over the last eight years, the least of which is how amazing the people who live and work here are. I want to thank you ALL - some for your unwavering support, others for always challenging me to get better results. Willington is in as good a place as we can be right now thanks to all of you. I will always be grateful for the opportunity to serve this wonderful town. Again, thank you all.

Best regards,

Christina Mailhos

Public Works Department

SNOW REMOVAL ORDINANCE

Volume 6, Page 81 Pursuant to Section 7-148(15),
Connecticut General Statutes, use of Town roads is
restricted as follows:

No person shall deposit any snow or ice onto the
traveled portion of any Town road. Any person found
guilty of a violation of this section shall be fined fifty
(\$50) dollars by the Board of Selectmen or the Public
Works Director.

This includes the draining of water from sump pumps
and/or other property drainage. Besides the Town fine,
residents are also liable for damage to the road and any
accidents that may occur as a result of water, ice or snow
deposited on the roads.

WINTER PARKING BAN

A parking ban is in effect during snow storms. Cars
parked on Town roads overnight may be towed at the
owner's expense. Tune to WFSB (CBS) or WVIT (NBC)
for parking ban information.

MAILBOXES

Your mailbox should be in good repair, firmly attached
to a solid post and properly placed so no part of it is
over the pavement. It will have to withstand countless
tons of flying snow this winter and may require peri-
odic maintenance. If a mailbox or post is pushed over
or damaged as a result of snow or slush coming off
a snowplow, it is considered a winter hazard and the
Town will not repair or replace the mailbox or post.
The height of the bottom of the mailbox to the street
should be between 42" – 48" and the mailbox door
should be 6 to 8 inches back from the front face of the
curb or road edge. In the event a Town plow hits a
mailbox, it will be repaired by the Public Works
Department.

PORTABLE BASKETBALL HOOPS

Portable basketball hoops and similar items should
NOT be in the Town right-of-way. The Town is not
responsible for damage done by plows to such items
left in the Town right-of-way.

CATCH BASINS & STORM INLETS

Do not blow leaves into catch basins or storm inlets.
Help minimize street flooding by blowing leaves or
shoveling snow and ice from in front of the storm inlet
nearest your house. This includes keeping catch basin
grates free of leaves and other debris all year long!

The Willington Historical Society

ROOF PROJECT UPDATE ...

We did it! With an ongoing joint effort over the last 12 months, the Society worked for a \$8,975.00, 50/50 matching grant from The 1772 Foundation in cooperation with The Connecticut Trust for Historic Preservation. We also asked the Society's members, friends and neighbors to help with funding the other 50% of the roof costs, by making part of Willington's History, yours! Your generous help with this project really added up! To date, we have reached our goal of almost \$9,000 toward the now-installed new roof. We'd again like to thank these members, friends and neighbors for continuing to support this roof fund raising effort:

Anything Printed/Pam and Joe Varholy, Chiara Bambara, Marjorie and Lynn Brown, Suzanne Chapman, Kathy and Chris Demers with a matching grant from United Technologies, Joy and Rudy Favretti, Lisa Ferriere, Margaret and David Gankofski, Mary and Syd Goodrich, Donna Hardie, Jim Harvey, Heritage Oil/Ken Uppling, Doris and E.J. TREE LIGHTING AND OPEN HOUSE

December 1st at 7:00 pm

Please join the Willington Historical Society, Willington Parks and Recreation Department and the Willington Selectmen, Friday evening, December 1st for the lighting of the new Community Christmas Tree on the Town Green. Let's join together to start the holiday season with a splash of color and Santa arriving in his wildly 'tricked' out fire truck sleigh.

Following the tree lighting, you are invited to gather at the historic Glazier Tavern, at the West end of the green, to enjoy the warmth of the fires in the hearths and light refreshments. Also take a few minutes to view an exhibit of items from Willington's, once active, Railroad Station and the original Hall Memorial School office clock. Special thanks to the West Family for their annual decorating and lighting of our Community Tree.

PICTURE WINDOW AT GLAZIER TAVERN IS 'HISTORY'

Replacing the windows on the Tavern, facing the Town Green, has been on our to-do list, for various reasons, with the 2/2 double hung window being worn out and sagging, and the large, cracked picture window certainly looking out of place on the 19th century building. Both were replaced with period 6/6 wooden windows, giving that side of the building a more 'as' built appearance.

Special thanks for this project goes out to Master Carpenter Norm Barry of Tolland, for volunteering his time to guide and help us through the window and siding project. Without his help we'd still be stumbling through this job. The replaced siding is due to be painted by volunteers in October.

BECOME A MEMBER

If you're a little short on time, but wish to help, consider supporting the Society by becoming a member and/or a donor. Don't forget that memberships also make thoughtful gifts for holidays, birthdays and anniversaries. Membership dues and donations allow for the continuing restoration work at Willington's historic Glazier Tavern.

Thank you to everyone who has responded to our requests for historic items and support.

YES, WE'RE STILL LOOKING ...

The Historical Society continues to look for items that help recount Willington history. You can help!!

- Old hand tools, tin and wooden kitchen ware.
- Whale oil lamps
- Military uniforms, all engagements, full sets or bits and pieces.
- Willington glass, especially whiskey bottles.
- 1700s-1800s tavern tables and period chairs
- Also, photographs, 'especially' consider sharing old family photos from the

WW I monument dedication or the 1927 Bicentennial plaque dedication. Please scan or share your photos, for our archives.

- and finally we continue to ask for a Programs person and a Publicity person.

Not sure if an item may be of interest? Feel free to contact us, please. (It may take a few days for us to get back to you, we only do this part-time.)

Contact the Willington Historical Society with general email at: willingtonhistoricalsociety@gmail.com. Membership forms are available on our website at: www.willingtonhistoricalsocietyct.org. Donations may also be made through the PayPal link on our website homepage.

FINAL THOUGHT

It really is enjoyable looking around in old barns! Thanks to Ralph Tulis for an invite to look around in his family's old barn. In addition to the visit, the Society was invited to select any items of interest, to add to our historic archive of Willington items. Ralph's generosity extended to a good proportion of conversation, in addition to a selection of cobbler's tools, his Mom's Indian style sewing basket and scrap book, several buzz saw tools for setting the teeth, a cast iron manure fork, that has to be older than Ralph's and my ages combined (wow), several items that were used to hand hew logs into beams and more. Thanks, Ralph! Nice visit!!

FREE SNOWSHOE LOANER PROGRAM

Bring on the Snow!!! The Willington Parks and Recreation Department has snowshoes that were obtained through a grant from Eastern Highlands Health District initiative "Healthy Eating, Active Living" (HEAL). The Department has 4 sets of adult and 4 sets of youth snowshoes for use. Loaner equipment is available for pick up Monday-Friday. Reservations must be made at least 48 hours in advance. Only one open reservation will be allowed per household. After the completion of one reservation, another will be allowed. Maximum rental is three days.

Why go snowshoeing? What started thousands of years ago as a mode of transportation has evolved into a popular winter activity for recreation and fitness. Here's why:

It's fun: Snowshoeing extends your hiking or running season into winter. It lets you enjoy winter solitude and can be a social activity. All ages and ability levels can enjoy the sport together.
It's easy: As the saying goes, "If you can walk, you can snowshoe." The learning curve is much shorter than that of skiing or snowboarding. A few techniques worth practicing: widening your stance (to avoid stepping on snowshoe frames), going up and down hills, traversing slopes and pole usage.

It's inexpensive: Required gear includes snowshoes, appropriate footwear and clothing, and (maybe) a pair of poles. That's it! No lift ticket is required.

It's a good workout: Snowshoeing offers low-impact, aerobic exercise that helps you stay in shape during the winter.

It's versatile: You can go easy or go hard. Plus, you can snowshoe many trails that you can't ski due to trees or low-snow conditions.

INTERNATIONAL FOLK DANCING

This program features dances from around the world, starting with easy walking-based dances and progressing to more advanced dances as the class is ready. Adults of all ages have

found this program to be fun and great exercise. It is a good way to learn about cultural backgrounds and make new friends! No experience is necessary and no partners are necessary. Wear comfortable clothes, close-toed shoes and bring water. Drop-ins are welcome!

Dates: This class is held on Thursday evenings
Time: 7-8:00 pm
Location: Old Town Hall, 11 Common Road, Willington
(Located on the Town Green)
Fee: This program is being offered at no cost
Instructor: Veronica Craig

Willington Scholarship Foundation Dollars for Scholars Named 2017 National Chapter of the Year

The members of the Willington Scholarship Foundation Board of Directors are feeling both proud

and humbled because of some accolades they received recently. WSF was informed in August that it is the recipient of Scholarship America's 2017 Intermediate Affiliate of the Year Award. (Small and Large are the other two categories based on the size of the communities served.) The award brings with it a \$1,000 monetary award for WSF. But, that is not all; we have also received the top prize by being named the National Affiliate of The Year for 2017. This honor brings with it an additional \$2,000. The total \$3,000 received in conjunction with these prestigious awards will be added to the donations of all sizes to be received throughout the coming year.

These honors are really to be shared by the entire rural community of Willington, CT whose generosity makes our chapter of Dollars for Scholars stand out in comparison to chapters in other towns of a similar size all across the USA. WSF has known what a special town we live in throughout the years. Since our inception in the year 1995 as the Willington PTA Scholarship Foundation which formed as an affiliate of the Citizens Scholarship Foundation of America, continuing in 1996 when we reorganized as the Willington Scholarship Foundation, still an affiliate of CSFA, and most recently when we adopted the bylaws in conformance with CSFA's (now named Scholarship America) Dollars For Scholars, Willington has never let us down. Instead, in an increasingly generous way, the residents, businesses and organizations have responded to help the students of our community as they graduate from high school and face the financial challenges

of higher education. At our annual WSF reception in June this year, seventeen awards were given to fourteen students in the total amount of \$32,000.

Yes, Willington, we knew you were special all along and now the affiliates of Scholarship America all across America know it too! On behalf of the entire board of directors and all of the students who have benefitted from your help, once again, thank you, Willington!

If you would like to know more about WSF, visit us at www.willington.dollarsforscholars.org. Donations are welcome at any time. All donations go to scholarships, with less than 5% spent on mailings, non-profit fees and insurance. For more information, please email willington@dollarsforscholars.org or call Chopeta at 860-429-1276. New members are always welcome.

THIS FALL, WE ARE RAISING AWARENESS OF OUR FUEL BANK!

What is the Fuel Bank? It is actually not a "bank," but rather money set aside to give a one-time gift of 100 gallons of oil (or other heating fuel) to a Willington resident in great need.

How does it work? The resident contacts the Human Services office. After some financial information is obtained and long-term sustainable solutions are discussed, the office contacts a local supplier who delivers 100 gallons of oil to the family's home.

The fuel bank is an income-based program, and is meant for a one-time emergency only.

Gardiner Hall Jr Museum is About Willington History

The Gardiner Hall Jr Museum and Willington share a rich history from 1861 to its halt in producing threads in the 1950s.

One hundred years of prosperous times, wars, economic downturns, political upheaval, society's changes have been felt by the people who lived here and worked in the mill.

Improvements to the machinery used in the mill, by Gardiner Hall Jr, meant new patents and design improvements that benefited thread mills everywhere. During war times the Hall Mill produced suture threads that were used on the battlefields of Europe. When the Great Depression devastated the United States the Hall Mill was able to employ over 130 people, when other businesses closed shop and unemployment was the norm. Willington and its population benefited from the operation of the Mill and as it grew so did the town.

William Henry Hall was active in politics and held elected offices in Connecticut. Because his interest lay in politics and not in the operation of the Mill this opened the door for Rosa Hall to step in and take over the business. A woman running a business of this size was not commonplace at that time. Ms. Hall was a forerunner in the advancement of women's rights and the suffrage movement. Rosa Hall was instrumental in the building of the Hall Memorial School in Willington as well as the Clara Hall Elliot Memorial Church.

There is this and so much more to learn about how the growth and development of Willington intertwined with the Hall family and their Mill. Please stop in on Wednesdays from 9:30 am until 11:30 am to learn about this remarkable period in our local history. If you have any artifacts you'd like to put on loan or donate to our museum please bring them along and share their story with us.

The Gardiner Hall Jr. Museum at The Mill Works, 156 River Road, Willington, CT 06279. For more information, please call: 301-500-8403 or email: curator@gardinerhalljrmuseum.org.

PLEASE NOTE: Beginning December 5, 2017 the Museum will be open on Tuesdays from 9:30 am until 11:30 am and closed on Wednesdays.
