From the Desk of the First Selectman:

Dear Willington Residents,

Fall is my favorite time of year in Willington. There are many opportunities for exercise and getting outside, including walks in the woods, stacking wood for winter, raking leaves, planting bulbs and taking trips to the orchard. In this brochure, I hope you will find some ideas about what you can do to enjoy autumn in Willington.

The fall is also a time for the kids to go back-to-school, which brings new schedules and new opportunities. For many of us, it is a time to reassess priorities and get organized. This means getting out calendars, to-do lists and budgets and making plans for how to get things done.

These are all things we are doing at a municipal level at the Town Office Building.

This is the time for getting organized for the upcoming budget season and there are many things we are doing to prepare for it, including: streamlining our internal accounting procedures; researching best practices in other Towns; considering new ways to go out to bid for products and services; as well as looking at ways to alleviate the burden on our taxpayers.

Here's to a healthy and productive fall for all of our residents. I hope you are able to take advantage of all that Willington has to offer while crossing some things off on your own to-do lists!

Sincerely,

Christina Beebe Mailhos

What a great summer we had here at the Library! There was lots of fun and activities to enjoy for those who participated.

We would like to say "Thank You" to the Friends of the Willington Public Library for again funding all of our programs and events. We are so very grateful and want you to know that we would not be able to do or offer the many things to our community without your help and support. We would truly be lost without you, so again, many, many thanks to everyone involved!

Donations needed:

Thank you again to all who so generously give donations for the many projects and crafts that we do here at the library. We are now in need of laundry detergent caps, grape vines, a variety of wreath forms and seasonal embellishments, ribbons, bows, and any other materials (for our upcoming wreath making craft time coming in November).

Our **Gratitude Journal** is still out in the community. Please take the time to make an entry and share with others what you have to be most grateful for. This is not about being thankful or fortunate to have this library; this is about you as an individual. We hope you will take advantage of this opportunity. It will be available to you at our Town Office Building during this fall season.

September 27th through October 4th is "Banned Book Week". Come view and take out books that have been banned somewhere in America over the past 100 plus years. Celebrate the freedom to read!

Thursday, October 7th is the Jumpstart **"Read for the Record"** event, beginning at **6:30 PM**. All are invited to join us as we read together, "The Snowy Day" by Ezra Jack

On **Saturday, October 16th** we will have a day long event at the library as we are visited by **Revolutionary War re-enactors Ted St. Amand and Billie Powe**. Relive with us the life and times of Dr. Timothy and Elizabeth Hosmer. Dr. Hosmer lived and practiced medicine in Farmington, CT. He was born in Hartford in 1745, was a member of the Sons of Liberty, an army surgeon attached to General George Washington's staff, and a member of the 6th CT Regiment stationed in New York. This will be an interactive presentation, along with a display of medical instruments used during the Revolutionary War and a presentation of costumes worn by the men and women of that time.

In partnership with the Willington Youth, Family, & Social Services, we will be presenting our annual Town of

Willington **"Halloween Party" on Saturday, October 30th**. Joining us again will be "The Magic of Jim Sisti & Sandy".

Tuesday, November 2nd at 6:30 PM, we will present a solo performance by actor, Richard Clark called: **"And Now Mark Twain!"** This will be a delightful look at the life and work of America's foremost humorist and author. This one-person play is full of wit and wisdom and the special brand of storytelling that made him a legend in his time. Mr. Clark has a long list of credentials which include New York theater and television.

Holiday Wreath Making Craft Workshop: Saturday, November 6th, 12:30 to 2:00 PM. Start collecting and saving materials you would like to donate and/or use in your "creation".

Saturday, December 4th, (during an extended Family Time, which will be from **10:30 AM to 1:00 PM**), we will be having a **"Tree Trimmings" party**. Join in, as we make Christmas ornaments for the tree and enjoy milk and cookies together.

The 2nd Annual "Community Holiday Celebration" sponsored by the Willington Public Library, will be held on **Saturday, December 11th, 6:30 to 8:00 PM**

2nd Annual "Holiday Cookie Swap": Tuesday evening at 6:30 PM on December 14th. Celebrate the holiday season with good company, fun, cookies, and tea. Guidelines: Bring in seven dozen (six for the swap and one to share that evening with others), has to be all one kind and homemade. Drop off recipe at least one week prior to the event so we can compose a collection of cookie recipes' cookbook. Registration is required for planning and so we don't end up with duplicates.

If there is anyone who would like to be notified through their e-mail address about upcoming programs and events, there is a form at the library you can fill out. You can also visit us on our website at www.willingtonpubliclibrary.org. Thanks to Brittany McDougal, we now have a video blog on Facebook as well. Thank you, Brittany!

All of us here, at the Willington Public Library, would like to wish you a happy and healthy holiday season!

Conservation Commission Fall Events

The Conservation Commission has two events planned for the fall. The first is our annual Park Day which will be held this year on Saturday October 16 at Fenton Ruby Park on Moose Meadow Road. The first activity of the day will be the presentation of the Raymond K. Daley Environmental Action Award to an individual or organization who has made a contribution to improving the Town's environment. Following that will be a "FRIENDS OF THE PARK-WORK PARTY". Volunteers will have an opportunity to help with trail maintenance and build some new walkways. It's a great way to get some exercise and socialize with other folks who use and appreciate our wonderful park and its four trails.

More details will be available on Willington's community email bulletin board and public notices in various print media. If you want to be notified by email directly about ongoing park activities, contact Chris Demers at cdemers@mindspring.com to be placed on our "Friends of the Park" list.

On October 29th and 30th as well as November 6th, the commission will host "A STAR GAZING PARTY" from 7:00 to 9:00 pm. Local amateur astronomer Paul Pribula will provide a free guided tour of the early night sky. Dress warm for the fall evening weather, bring a small flashlight and binoculars if you have them, but most important bring your curiosity about the stars and planets. Telescopes will be set up for your viewing pleasure. We will meet in the hayfield located just to the north of the Fenton Ruby Park parking lot, with parking along the side of Moose Meadow Road. Please call Chris at 429-8384 for more information. Heavy clouds or precipitation cancels the event, so root for clear skies!
