General Informatio

From the Desk of the First Selectman:

Dear Willington Residents:

So far 2012 is shaping up to be a nice year, at least considering the weather! After the extreme weather we all experienced last year, many of our residents have a new appreciation for each mild and sunny day. Our road crew in particular hopes the good weather continues into the Spring!

Speaking of Spring, there are several outdoor events coming up and we hope you all will get a chance to get out and enjoy some time connecting with friends, meeting neighbors and possibly supporting a deserving local non-profit organization. You can read about many of them in this brochure.

2012 has also been a productive year so far for many of our Town Boards, Commissions and departments. The Board of Finance has begun their budget process for the 2012-2013 fiscal year that begin on July 1st, 2012. It is a tough task that has only gotten tougher over the last few years. I would like to thank the dedicated members of the Board of Finance (who meet every Thursday night during budget season), as well as the many groups who come before them to present their budget requests. I would also like to thank our Capital Improvement Committee that has taken a serious look at the Town's needs and come up with a plan for funding a few key projects over the next 5 years. Please check the Town Website (www.willingtonct.org) to learn more, and mark your calendars for Tuesday, May 8th to vote in the budget referendum. I hope to see you all out and about in Willington as the days get longer and air gets warmer!

Sincerely,

Christina Beebe Mailhos First Selectman

In the past year, usage of the library and its services has continued to rise. In our search to raise funds, a generous Willington family has once again proposed a donation challenge, with the hopes of raising enough money to continue funding the "restored" hours added back into the library's schedule last summer. This family will match your donation, dollar for dollar, up to \$10,000. With a fundraiser of this nature, every cent counts. If you donate \$25.00, with the match, the library receives \$50.00; if you donate \$5.00, it will be as if you donated \$10.00!

Hunger in America Hunger- The uneasy or painful sensation caused by lack of food.

Although America is one of the most well equipped countries in the world we still have a hunger problem on our hands. For example 1 in 6 children in America goes hungry; which is approximately 16 million children.

But, there is hope; you can make a difference in these people's lives! Go to your Town Hall or Food Pantry and provide a monetary or non-perishable food donation. Just by doing this you are providing for your community and families in need. Chances are it may even be you neighbor!

Hunger is not just limited to having to rely on the food pantry; food stamps are also just as widespread. In total about 15% of Americans are currently on food stamps. This is approximately 45,753,078 people.

Food drives are a great way to serve the community's less fortunate. But don't always rely on the town to host a food drive, try starting your own!

By raising awareness about hunger, the ratio of hungry people to non-hungry people will steadily decline. So please, raise awareness about hunger and donate to your local Town Hall or local Food Pantry because you alone can make a difference in the lives of so many people.

In fact Willington has its' own Food Pantry! Due to changes in the inner workings of the system, the pantry will be open on Mondays 3PM to 6P.M., and Wednesdays 10AM to 1PM. For more info visit www.endhungerct.org
