Winter 2013

General Information

From the Desk of the First Selectman:

Dear Willington Residents:

We are at the beginning of the winter season and are once again planning for the worst but hoping for the best, both for the safety of our residents and also for our town operating budgets. Hurricane Sandy recently reminded us that we need to be prepared as a town, as families and as individuals for whatever comes our way.

Last winter was mild and as a result, our Public Works Department came in under budget for snow removal. The year before that was very different: it was the year of the historic snow accumulation that found us using snowblowers to remove snow from the school roofs. It is impossible for anyone to know what to expect, so we plan for an "average" year (based on a 5 year rolling average) and the Board of Selectmen checks in with Public Works continually and keeps the Board of Finance updated as the winter progresses. If you are interested in seeing how we are faring this winter, please attend a Board of Selectmen meeting (we meet on the first and third Monday of every Month at 6:30pm in the Town Office Building) or go to <http://www.willingtonct.org/subscriber> and subscribe to receive Board of Selectmen agendas and minutes.

Winter is also the season that the Town prepares next year's operating budget. Starting in December, all of the various departments and Boards will be working on their proposed budgets for the year that starts on July 1, 2013 and ends on June 30, 2014. The Board of Finance will start meeting weekly in January and continue through March. These meetings are open to the public and citizen input is encouraged. It is very difficult for our elected officials to know what the townspeople want if they do not share their thoughts during budget time.

With the budget meetings and the unpredictable weather, winter in Willington is always busy. Please take time this season to enjoy the Holidays and the natural beauty that the snow brings.

**Sincerely,
Christina Beebe Mailhos
First Selectman, Willington**

Annual Holiday Cookie Swap

Thursday, December 6th 6:30 to 8PM
Annual Holiday Cookie Swap. Enjoy an evening of sharing and leave with a variety of wonderful homemade cookie favorites.

Guidelines:

Registration is required and needs to be made by: *Thursday, November 29th*, which is one week prior to the event date and you must be present to participate.

All cookies should be homemade and from a single favorite recipe. First to sign up, will give you first choice of selection. Check list when signing up so no duplicates are made.

Amount of dozens of cookies needed to be made and brought in, will be determined by how many people sign up. Leave phone number or email, so we can notify you with this information in advance. For example, if 20 people sign up, 11 dozen would be needed to make and bring; 10 dozen to distribute and 1 dozen to share that evening.

All cookies are to be packed in bags of 6 (half-dozen). Bring container(s) for all the goodies you'll be taking home. Special "activity" to be announced later. E-mail (dlinares@willingtonpubliclibrary.org) or bring in a copy of your recipe at least

one week before the party. This will give us a chance to make copies for everyone. **Help set the mood, Christmas attire is encouraged but not required.*

Annual Community Holiday Open House Celebration

Saturday, December 15th 6:30 to 8PM, will be our Annual Community Holiday Open House Celebration. We are hoping to have Santa visit the children again, along with a Carol Sing-Along, and the providing and serving of some delicious and special refreshments. In January:

Loving Squares Quilt

Willington Library will host the Loving Squares Quilt during the month of January. Loving Squares is the local donor family quilt created by donor families in honor of their loved ones. Since 2002, families whose loved ones have chosen to give the gift of life through organ and tissue donation have contributed Loving Squares. LifeChoice Donor Services started the local quilt to offer families a meaningful way to commemorate their loved ones.

Each quilt square is adorned with special details such as photographs, poems, and symbols of the loved one's life. The quilt travels throughout Connecticut and Massachusetts to pay special tribute to organ and tissue donors and to raise awareness about donation. LifeChoice Donor Services is the federally designated, non-profit organ procurement organization serving six counties in Connecticut and three counties in Massachusetts. The organization is dedicated to fostering community and professional support of organ and tissue donation, providing compassionate care for families, and saving and improving lives. To learn more about organ and tissue donation, and to view the Quilt and glean information about local donors in the Willington area, please visit the Willington Library during the month of January.

LifeChoice Donor Services

On **January 10th, at 6:30 PM**, in our Community Room, we will be having a special program presented by LifeChoice Donor Services to explain all about tissue and organ donations. This will help to correctly inform and help dispel any false myths. There will be a "snow" cancellation date for Thursday, January 15th, same time if needed.

First Niagara Bank and the Holiday Tree

Here is a holiday riddle for you: What does not break your family's budget, but brings a priceless smile to a child in your hometown?

Answer: Taking one tag from the First Niagara Holiday tree and fulfilling a single child's holiday wish!
