1. Update on Loves Travel Stop

C. Roberts explained that because there was trouble getting the commission together for a site walk Fuss and O'Neil sent over pictures of the SWAS system in lieu of a site walk

D. Schreiber mentioned concerns from Kathy Demers pertaining to silt fencing surrounding the stockpile on site. C. Roberts said he would bring this up with Mike D'Amato and have it addressed.

P. Lord asked if the commission had received the weekly storm water reports from Fuss and O'Neil. C. Roberts said that he would check with M. D'Amato. P. Lord asked C. Roberts to check the conditions on the plan and make sure these were being followed. C. Roberts said that he would check when he returned to the office and follow up with M. D'Amato. P. Lord asked how the clerk of the works was doing and if they were doing a good job. C. Roberts said that in his opinion and from discussions with the planning and zoning commission that the clerk of the works was performing their job as expected. P. Lord asked how far along the construction of the SWAS was. C. Roberts noted that the photos were from January. D. Schreiber noted that he would still like to walk the site.
