

Willington School Building Committee
Request for Qualifications/Proposal: Owner's Project Manager
Addendum #1
January 10, 2022

1. *What is the Willington Building Committee's time frame for:*

- ***The submission of the grant application? i.e. June 30th 2022 or June 30 2023?***
- ***The referendum?***

Response: The School Building Committee will rely on the expertise of the Owner's Project Manager to establish a feasible timeline that may result in the submission of a grant application in June 2022 or June 2023. The Committee has not formally established a timeline.

The committee has not established whether the referendum should be before or after the grant application, and will again rely on the expertise of the Owner's Project Manager to help make the best decision for the town and the overall success of the application.
