

MARRIAGE LICENSE REQUIREMENTS

- You must obtain a marriage license in the Connecticut town where the marriage ceremony is taking place.

- Marriage licenses are by appointment only. You must submit the completed license application to the Vital Statistics Office by email, mail, or fax.

Please provide the best phone number for staff to contact you to make an appointment.

- If you are emailing documents, do not email copies of Social Security cards or documents with visible Social Security numbers.

- Please choose your officiator and set the date of your wedding before applying for a marriage license. We ask that you provide us with the name of the person performing the ceremony and their telephone number.

- The marriage couple must both appear in person at the Office of Vital Statistics. The marriage license is valid for 65 days from the date it is initially issued. Your wedding date must not be more than 65 days after you apply for the license.

- Bring with you your government issued photo identification, social security card (if available), along with \$70 (in the form of cash OR check) – we cannot accept credit or debit cards. The fee covers the cost of the license and the certified vital that will be returned to you once we receive from your officiant.

- Each party to the marriage must be at least 18 years of age to apply for the license independently. If either party is between the ages of 16 and 17, a probate judge in the jurisdiction where the minor resides must approve the marriage. Children under the age of 16 are not allowed to marry per Connecticut State law.

- If a person who wishes to marry has a Conservator, the Conservator must appear in person with a government issued photo identification, proof of Conservatorship, and a written statement of consent.
